Purple Platypus Achieves Platinum Reseller Status From Stratasys

IRVINE, California (March 18, 2015) – Purple Platypus, Inc., a certified Stratasys 3D printer reseller in Arizona, Nevada and Southern California, receives Platinum Reseller status from Stratasys. Stratasys' selection process for Platinum Level Partner is based on various performance metrics, in-house expertise, and training advancements.

The Platinum Level Reseller title is the most recent achievement added to Purple Platypus' multiple accolades including: Top Distributor (2009), Top Dealer Total Bookings (2010), Top Dealer Desktop Bookings (2010), Outstanding Dealer Over 100% Quota Achievement (2010), Top Dealer Worldwide (2010), Outstanding Dealer Over-Achieved Booking Quota (2011), Outstanding Reseller for Quota Over-Achievement (2012), Outstanding Dealer Over 100% Quota Achievement (2014), and our very own David Cox and Gabriel Suppes were named Top 15 Stratasys Sales Representatives (2014).

With over 30 years of accumulated experience in the 3D Printing Industry, Purple Platypus provides their customers with extensive Stratasys 3D printers and materials product knowledge, expert engineering application consultation and solution-based technical support services.
